Contract Conditions:

1. The Applicant, as owner or authorized agent for the owner, hereby requests Southwest Gas Corporation ("Southwest") to install its natural gas pipeline facilities ("Subject Facilities") to and upon the aforementioned premises, in accordance with the provisions of its Rules as filed with the Regulatory Commission ("Commission") having jurisdiction over the Southwest's operations, and hereby grants to Southwest such rights of ingress and egress as may be necessary or convenient to enable Southwest to install, operate, inspect, maintain, repair and remove meters, gauges, pipelines, fittings and regulators, and all other equipment and apparatus which Southwest may elect to install for the purpose of furnishing natural gas service to the aforementioned premises or adjoining premises, or to make a survey of the number and type of appliances and equipment installed on the aforesaid premises. No permanent obstructions will be placed over the pipeline.
2. The Applicant agrees to install and utilize the natural gas appliances and/or equipment indicated above. The justification of any applicable allowance granted the Applicant is based on the usage of the installed appliances and/or equipment (indicated above). Southwest agrees to defer the collection of any payment or financial security associated with installation of the Subject Facilities provided that the natural gas appliances and/or equipment indicated above are installed for residential service within six months from the in-service date of Company Facilities or for nonresidential service within one year from the in-service date of Company Facilities. If the appliances and/or equipment (indicated above) for natural gas service are not installed and utilized for service: within twelve months of the in-service date for service and main lines: Southwest may bill the Applicant for the cost of Applicant's natural gas service and/or main line installation.
3. This Contract shall at all times be subject to such changes or modifications by the Commission as said Commission may from time to time direct in the exercise of its jurisdiction.

4. The Subject Facilities will at all times be owned by Southwest. If Applicant is the property owner, Applicant agrees: (1) to grant or otherwise provide to Southwest, without cost to Southwest, easements and rights-of-way which are adequate, in the opinion of Southwest, for the location, installation, operation, maintenance, and removal of the Subject Facilities and (2) that no permanent obstructions will be placed over Subject Facilities and further agrees to be responsible for any and all costs associated with removing any permanent obstructions that are placed over subject facilities. If Applicant is NOT the property owner, Applicant hereby agrees: (1) to provide written permission from the property owner(s) allowing Applicant to apply for the Subject Facilities and (2) to secure property owner(s) agreement to the foregoing granting Southwest such easement and right-of-way as necessary for the provision of natural gas service.

I hereby authorize the installation of natural gas pipeline facilities and agree to pay any cost of installation in excess of the allowable investment of Southwest as defined in its filed rules and regulations.
